(2) 'n Besmetting van indringerplante kan vir die doelendes van hierdie skema as 'n matige besmetting geklassifiseer word indien die uitvoerende beampete oortuig is dat slegs sommige van die krone van die betrokke indringerplante in 'n stand daarvan aan mekaar raak of oorvleuel en afskerming as gevolg van gelaagdheid slegs in geringe mate deur die hele stand voorkom.

(3) 'n Besmetting van indringerplante kan vir die doelendes van hierdie skema as 'n lige besmetting geklassifiseer word indien die uitvoerende beampete oortuig is dat geen krone van die indringerplante in 'n stand daarvan aan mekaar raak of oorvleuel nie en geen afskerming as gevolg van gelaagdheid in daardie stand voorkom nie, maar sodanige stand nogtans so dig is dat lugbespuiting geregtig is.

(4) 'n Besmetting van indringerplante kan vir die doelendes van hierdie skema as 'n yl besmetting geklassifiseer word indien die uitvoerende beampete oortuig is dat 'n stand van sodanige plante 'n merkbaar nadelige invloed op die produksievermoë van veld het of kan hê, maar nie van so 'n aard is dat lugbespuiting daarvan geregtig is nie.

#### Grondslag vir die bepaling van subsidies

7. (1) Die subsidies wat ingevolge hierdie skema ten opsigte van die bestryding van indringerplante betaal kan word, word bepaal ooreenkomsdig die toepaslike tariewe soos aangeteken in 'n tarieflys wat deur die Minister met die instemming van die Minister van Finansies goedgekeur is en vir dié doel by die kantoor van die uitvoerende beampete gehou word.

(2) An infestation of invader plants may for the purposes of this scheme be classified as a medium infestation if the executive officer is satisfied that only some of the crowns of the invader plants in a stand thereof touch or overlap and shading as a result of stratification occurs to a slight extent only throughout that stand.

(3) An infestation of invader plants may for the purposes of this scheme be classified as a light infestation if the executive officer is satisfied that no crowns of the invader plants in a stand thereof touch or overlap and no shading as a result of stratification occurs in that stand, but such stand is nevertheless so dense that aerial spraying is justified.

(4) An infestation of invader plants may for the purposes of this scheme be classified as a sparse infestation if the executive officer is satisfied that a stand of such plants has or may have a noticeably detrimental effect on the production potential of veld but is not of such a nature that aerial spraying thereof is justified.

(5) 'n Aansoek om 'n toestemming vir die bestryding van indringerplante ten opsigte waarvan subsidies ingevolge artikel 6 van die Grondbewaringswet, 1969 (Wet 76 van 1969), betaalbaar sou wees, wat voor die datum van inwerkingtreding van hierdie skema ingedien is maar nog nie op daardie datum goedgekeur was nie, word geag 'n aansoek in subartikel (2) bedoel, te wees.

(6) Indien die uitvoerende beampte 'n aansoek in subartikel (2) bedoel, goedkeur, moet hy 'n skriftelike toestemming om die betrokke indringerplante te bestry aan die betrokke aansoeker uitreik.

(7) So 'n toestemming moet—

- (a) die groeiseisoen waarop dit betrekking het, vermeld;
- (b) behoudens die bepalings van subartikel (4), die kampe vermeld waarin indringerplante gedurende die betrokke groeiseisoen bestry moet word;

- (d) die metode en tegniek van bestryding wat toegepas moet word, vermeld; en
- (e) indien van toepassing, die soort onkruiddoder wat gebruik moet word en die konsentrasie waarteen dit toegedien moet word, vermeld.

(8) Ondanks die bepalings van subartikel (6), word 'n aansoek om 'n toestemming in subartikel (2) bedoel, nie goedgekeur nie indien—

- (a) enige subsidies voorheen ingevolge hierdie skema of ingevolge artikel 6 van die Grondbewaringswet, 1969 (Wet 76 van 1969), betaal is, of enige handeling voorheen ingevolge artikel 11 van die Wet deur die Minister verrig is in verband met die bestryding van indringerplante op die gedeelte van 'n plaaseenheid waarop sodanige aansoek betrekking het; of
- (b) al die voorgestelde grondbewaringswerke wat as weiveldbenuttingswerke geklassifiseer is in die lys van grondbewaringswerke wat deel van die plaasplan vir 'n plaaseenheid uitmaak, nog nie voltooi is nie.

(9) 'n Toestemming vir die bestryding van indringerplante ten opsigte waarvan subsidies ingevolge artikel 6 van die Grondbewaringswet, 1969 (Wet 76 van 1969), betaalbaar sou wees, wat voor die datum van inwerkingtreding van hierdie skema uitgereik is, word, indien dit op sodanige datum nog van krag is, geag 'n toestemming in subartikel (1) bedoel, te wees.

**Verklarings oor bestryding van indringerplante**

(5) An application for a consent for the combating of invader plants in respect of which subsidies would have been payable in terms of section 6 of the Soil Conservation Act, 1969 (Act 76 of 1969), that was lodged prior to the date of commencement of this scheme but had not yet been approved on that date, shall be deemed to be an application referred to in subsection (2).

(6) If the executive officer approves and application referred to in subsection (2), he shall issue a written consent to the applicant concerned to combat the invader plants concerned.

(7) Such consent shall—

(8) Notwithstanding the provisions of subsection (6), an application for a consent referred to in subsection (2) shall not be approved if—

- (a) any subsidies have previously been paid in terms of this scheme, or in terms of section 6 of the Soil Conservation Act, 1969 (Act 76 of 1969), or any act has previously been performed by the Minister in terms of section 11 of the Act in connection with the combating of invader plants on the portion of a farm unit to which such application relates; or

(9) A consent for the combating of invader plants in respect of which subsidies would have been payable in terms of section 6 of the Soil Conservation Act, 1969 (Act 76 of 1969), that was issued prior to the date of commencement of this scheme shall, if it is still in force on such date, be deemed to be a consent referred to in subsection (1).

**Statements on combating of invader plants**

12. (1) The executive officer shall be provided with a statement in connection with the combating of invader plants in terms of a consent referred to in section 11.

(2) A statement referred to in subsection (1) shall be made on a form obtainable for this purpose from an extension office in an area referred to in section 4.

(3) Such a statement shall—

- (a) subject to the provisions of section 9 (4), be made by the owner of the farm unit concerned;
- (b) be thus made
  - (i) in the presence of an officer of the department employed at the extension office for the area within which the farm unit concerned is situated; and

- (ii) voor of op die vervaldatum vermeld in die toepaslike toestemming in artikel 11 bedoel;
- (c) die datum waarop of die tydperk waartydens die betrokke indringerplante bestry is, vermeld; en
- (d) 'n bevestiging bevat dat—

- (i) die bestryding van die betrokke indringerplante in die kamp of kampe onderneem is ooreenkomsdig die metodes en tegnieke en, indien van toepassing, met die soort onkruiddoder in die betrokke toestemming vermeld; en
- (ii) die verklarer bewus is dat enige subsidies wat op grond van die betrokke verklaring aan hom betaal is, onmiddellik deur hom terugbetaalbaar sal wees indien dit later blyk dat enige besonderhede in sodanige verklaring onjuis is.

(3) Indien indringerplante deur middel van lugbespuiting met 'n onkruiddoder bestry is, moet die faktuur van die firma wat sodanige lugbespuiting gedoen het, by die toepaslike verklaring in subartikel (1) bedoel, aangeheg word.

(4) Indien 'n verklaring oor die bestryding van indringerplante nie voor of op die vervaldatum in artikel 11 (7) (c) bedoel, afgelê is nie, kan die uitvoerende beampte—

- (a) weier om enige subsidie ten opsigte van die betrokke bestryding te betaal; of
- (b) die betaling van die subsidie ten opsigte van die betrokke bestryding uitstel vir sodanige tydperk as wat hy bepaal.

(5) 'n Verklaring oor die bestryding van indringerplante ten opsigte waarvan subsidies ingevolge artikel 6 van die Grondbewaringswet, 1969 (Wet 76 van 1969), betaalbaar sou wees, wat voor die datum van inwerkingtreding van hierdie skema afgelê is, word, indien sodanige subsidies nog nie op daardie datum betaal is nie, geag 'n verklaring in subartikel (1) bedoel, te wees.

(6) Elke verklaring in subartikel (1) bedoel, moet deur die uitvoerende beampte nagesien en aan die toepaslike stukke in artikels 9, 10 en 11 bedoel, en die toepaslike bepalings van hierdie skema getoets word ten einde te bepaal of 'n subsidie ten opsigte van die bestryding van die betrokke indringerplante betaalbaar is.

(7) Indien dit uit die nasien van 'n verklaring ingevolge subartikel (6) blyk dat daar 'n tekortkoming in die bestryding van indringerplante is omdat dit nie ooreenkomsdig die metodes en tegnieke in die toepaslike toestemming in artikel 11 bedoel, bestry is nie, of dat sodanige bestryding om 'n ander rede nie vir die betaling van 'n subsidie kwalifiseer nie—

- (a) moet die uitvoerende beampte die persoon wat die betrokke verklaring afgelê het, skriftelik van sodanige tekortkoming of rede in kennis stel;
- (b) is geen subsidie ten opsigte van die bestryding van daardie indringerplante betaalbaar voordat sodanige tekortkoming reggestel of sodanige rede uitgeskakel is nie; en
- (c) kan 'n nuwe verklaring ingevolge subartikel (1) afgelê word nadat sodanige tekortkoming reggestel of sodanige rede uitgeskakel is.

#### **Verlenging van geldigheidsduur van toestemmings**

13. (1) Indien die bestryding van indringerplante waarskynlik nie betyds voltooi sal wees om te verseker dat 'n verklaring in artikel 12 (1) bedoel, voor of op die vervaldatum in artikel 11 (7) (c) bedoel, verstrek kan word nie, kan die uitvoerende beampte daardie vervaldatum op aansoek uitstel.

- (ii) on or before the expiry date specified in the applicable consent referred to in section 11;
- (c) specify the date on which or the period during which the invader plants concerned were combated; and
- (d) contain a confirmation that—

- (i) the combating of the invader plants concerned was undertaken in the camp or camps, in accordance with the methods and techniques and, if applicable, with the kind of weed killer specified in the consent concerned; and
- (ii) the deponent is aware that any subsidies paid to him on the basis of the statement concerned shall immediately be repayable by him if it appears that any particulars in such statement are incorrect.

(3) If invader plants have been combated by means of aerial spraying with a weed killer, the invoice of the firm that undertook such aerial spraying shall be attached to the applicable statement referred to in subsection (1).

(4) If a statement on the combating of invader plants is not made on or before the expiry date referred to in section 11 (7) (c), the executive officer may—

- (a) refuse to pay any subsidy in respect of the combating concerned; or
- (b) postpone the payment of the subsidy in respect of the combating concerned for such period as he may determine.

(5) A statement on the combating of invader plants in respect of which subsidies would have been payable in terms of section 6 of the Soil Conservation Act, 1969 (Act 76 of 1969), that was made prior to the date of commencement of this scheme shall, if such subsidies had not yet been paid on that date, be deemed to be a statement referred to in subsection (1).

(6) Each statement referred to in subsection (1) shall be checked by the executive officer and be tested against the applicable documents referred to in sections 9, 10 and 11 and the applicable provisions of this scheme in order to determine whether a subsidy is payable in respect of the combating of the invader plants concerned.

(7) If it appears from the checking of a report in terms of subsection (6) that there is a shortcoming in the combating of invader plants because they have not been combated in accordance with the methods or techniques specified in the applicable consent referred to in section 11 or that such combating does not qualify for the payment of a subsidy for any other reason—

- (a) the executive officer shall notify the person who made the statement concerned in writing of such shortcoming or reason;
- (b) no subsidy shall be payable in respect of the combating of those invader plants before such shortcoming has been rectified or such reason eliminated; and
- (c) a fresh statement may be made in terms of subsection (1) after such shortcoming has been rectified or such reason eliminated.

#### **Extentions of validity of consents**

13. (1) If the combating of invader plants will probably not be completed in time to ensure that a statement referred to in section 12 (1) can be furnished on or before the expiry date referred to in section 11 (7) (c), the executive officer may on application postpone that expiry date.

(2) Die bepalings van artikel 11 met betrekking tot 'n aansoek om 'n toestemming om indringerplante te bestry, is *mutatis mutandis* van toepassing met betrekking tot 'n aansoek om die uitstel van die vervaldatum in sodanige toestemming vermeld: Met dien verstande dat sodanige aansoek die betrokke voorligtingskantoor nie later nie as die vervaldatum in die betrokke toestemming vermeld, moet bereik.

(3) Wanneer die uitvoerende beampte 'n aansoek om die uitstel van die vervaldatum vermeld in 'n toestemming in artikel 11 bedoel, goedkeur, moet hy 'n nuwe toestemming vir die bestryding van die betrokke indringerplante uitreik.

#### Betaling van subsidies

14. (1) Indien die uitvoerende beampte 'n verklaring aanvaar wat ingevolge artikel 12 (6) nagesien is, moet hy die bedrag bereken wat as subsidie ten opsigte van die bestryding van die betrokke indringerplante betaalbaar is.

(2) 'n Bedrag in subartikel (1) bedoel, word bereken ooreenkomsdig die toepaslike tariewe wat in die tarieflys in artikel 7 bedoel, aangeteken is en van krag was op die datum waarop sodanige verklaring afgelê is.

(3) Die subsidie aldus bereken, word behoudens die bepalings van subartikels (4) en (5) en met inagneming van die beskikbaarheid van geld vir die doeleindes van hierdie skema bewillig, so spoedig doenlik betaal aan die eienaar van die plaaseenheid waarop die betrokke indringerplante bestry is.

(4) Die eienaar van 'n plaaseenheid kan die uitvoerende beampte skriftelik versoek om enige subsidies wat hom toekom, aan iemand in sodanige versoek vermeld, te betaal.

(5) Indien die uitvoerende beampte in kennis gestel is dat bystand by wyse van 'n lening ingevolge artikel 10 van die Wet op Landboukrediet, 1966 (Wet 28 van 1966), aan 'n grondgebruiker verleen is vir die bestryding van indringerplante, word die subsidie wat ten opsigte van sodanige bestryding betaalbaar is, gebruik ter betaling of gedeeltelike betaling van die bedrag (met inbegrip van rente daarop) wat as gevolg van sodanige bystand aan die Staat verskuldig is.

#### Foutiewe betalings

15. (1) Indien die uitvoerende beampte na aanleiding van 'n ondersoek ingevolge artikel 18 van die Wet in verband met die bestryding van indringerplante ten opsigte waarvan 'n subsidie ingevolge hierdie skema of ingevolge artikel 6 van die Grondbewaringswet, 1969 (Wet 76 van 1969), betaal is, oortuig is dat geen subsidie ten opsigte van die bestryding van daardie indringerplante betaal moes gewees het nie, moet die uitvoerende beampte die eienaar van die betrokke plaaseenheid skriftelik gelas om die betrokke subsidie, tesame met rente daarop bereken op die grondslag in subartikel (2) uiteengesit, aan die uitvoerende beampte terug te betaal.

(2) Rente wat ingevolge subartikel (1) betaalbaar is, word bereken—

- (a) teen 'n koers gelyk aan die koers wat ingevolge artikel 26 (1) van die Skatkis- en Ouditwet, 1975 (Wet 66 van 1975), bepaal is en wat van toepassing is op die datum waarop die uitvoerende beampte die terugbetaling van die betrokke bedrag skriftelik gelas het; en
- (b) vanaf die datum waarop die betrokke subsidie betaal is tot die laaste dag van die maand wat die maand van terugbetaling van sodanige verskuldigde bedrag voorafgaan.

(2) The provisions of section 11 with regard to an application for a consent to combat invader plants shall apply *mutatis mutandis* with regard to an application for the postponement of the expiry date specified in such consent: Provided that such application shall reach the extension office concerned not later than the expiry date specified in the consent concerned.

(3) When the executive officer approves an application for the postponement of the expiry date specified in a consent referred to in section 11, he shall issue a fresh consent for the combating of the invader plants concerned.

#### Payment of subsidies

14. (1) If the executive officer accepts a statement that has been checked in terms of section 12 (6), he shall calculate the amount which is payable as subsidy in respect of the combating of the invader plants concerned.

(2) An amount referred to in subsection (1) shall be calculated according to the applicable tariffs which are recorded in the tariff list referred to in section 7, that were in force on the date on which such statement was made.

(3) The subsidy thus calculated shall subject to the provisions of subsections (4) and (5) and with due regard to the availability of moneys appropriated for the purposes of this scheme, be paid as soon as is practicable to the owner of the farm unit on which the invader plants concerned have been combated.

(4) The owner of a farm unit may request the executive officer in writing to pay any subsidies due to him to a person specified in such request.

(5) If the executive officer has been notified that assistance by way of a loan in terms of section 10 of the Agricultural Credit Act, 1966 (Act 28 of 1966), has been rendered to a land user for the combating of invader plants, the subsidy payable in respect of such combating shall be used as payment or part payment of the amount (including any interest thereon) due to the State on account of such assistance.

#### Erroneous payments

15. (1) If the executive officer, as a result of an inspection in terms of section 18 of the Act in connection with the combating of invader plants in respect of which a subsidy was paid in terms of this scheme or in terms of section 6 of the Soil Conservation Act, 1969 (Act 76 of 1969), is satisfied that no subsidy should have been paid in respect of the combating of those invader plants, the executive officer shall direct the owner of the farm unit concerned in writing to repay to the executive officer the subsidy concerned, together with interest thereon calculated on the basis set out in subsection (2).

(2) Interest which is payable in terms of subsection (1) shall be calculated—

- (a) at a rate equal to the rate determined in terms of section 26 (1) of the Exchequer and Audit Act, 1975 (Act 66 of 1975), and which is applicable on the date on which the executive officer directed the repayment of the amount concerned in writing; and
- (b) from the date on which the subsidy concerned was paid until the last day of the month preceding the month of repayment of such due amount.

(3) Indien dit te eniger tyd aan die lig kom dat 'n ander fout as 'n fout in subartikel (1) bedoel, gemaak is in die berekening van 'n subsidie wat kragtens hierdie skema betaal is, kan die uitvoerende beampte die eienaar van die betrokke plaaseenheid skriftelik gelas om die bedrag wat verkeerdelik aan hom betaal is, aan die uitvoerende beampte terug te betaal.

(4) 'n Bedrag wat ingevolge subartikel (3) terugbetaalbaar is, moet aan die uitvoerende beampte betaal word binne 60 dae na die datum waarop hy die terugbetaling daarvan skriftelik gelas het.

(5) Indien die eienaar van 'n plaaseenheid versuim om die bedrag wat ingevolge subartikel (3) deur hom terugbetaalbaar is, te betaal binne die tydperk in subartikel (4) bedoel, is rente op die verskuldige bedrag betaalbaar teen 'n koers gelyk aan die koers wat ingevolge artikel 26 (1) van die Skatkis- en Ouditwet, 1975 (Wet 66 van 1975), bepaal is en wat van toepassing was op die datum waarop uitvoerende beampte die betrokke terugbetaling skriftelik gelas het.

#### Voorwaardes waarop subsidies betaal word

17. (1) 'n Subsidie ingevolge hierdie skema ten opsigte van die bestryding van indringerplante word op die volgende voorwaardes betaal:

- (a) Die betrokke eienaar moet alle hergroei en saailinge van die indringerplante ten opsigte waarvan sodanige subsidie betaal is, op eie koste onder beheer hou ten einde aan die bepalings van artikel 12 (1) (b) van die Wet te voldoen.
- (b) Die boerderyprakteke wat gevvolg word op die plaaseenheid waarop die betrokke indringerplante bestry is, moet voldoen aan die bepalings van die bestuursprogram wat deel van die plaasplan vir daardie plaaseenheid uitmaak.

(2) Indien die eienaar van 'n plaaseenheid weier of versuim om te voldoen aan enige van die voorwaardes in subartikel (1) uiteengesit, moet die uitvoerende beampte die betrokke eienaar gelas om die subsidies wat kragtens hierdie skema ten opsigte van die bestryding van indringerplante aan hom betaal is, aan die uitvoerende beampte terug te betaal.

(3) 'n Bedrag wat ingevolge subartikel (2) terugbetaalbaar is, moet aan die uitvoerende beampte betaal word binne 60 dae na die datum waarop hy die terugbetaling daarvan skriftelik gelas het.

(4) Indien die eienaar van 'n plaaseenheid versuim om die bedrag wat ingevolge subartikel (2) deur hom terugbetaalbaar is, te betaal binne die tydperk in subartikel (3) bedoel, is rente op die verskuldigde bedrag betaalbaar teen 'n koers gelyk aan die koers wat ingevolge artikel 26 (1) van die Skatkis- en Ouditwet, 1975 (Wet 66 van 1975), bepaal is en wat van toepassing was op die datum waarop die uitvoerende beampte die betrokke terugbetaling skriftelik gelas het.

(4) An amount repayable in terms of subsection (3) shall be paid to the executive officer within 60 days of the date on which he directed the repayment thereof in writing.

(5) If the owner of a farm unit fails to pay the amount repayable by him in terms of subsection (3) within the period referred to in subsection (4), interest shall be payable on the amount due at a rate equal to the rate determined in terms of section 26 (1) of the Exchequer and Audit Act, 1975 (Act 66 of 1975), and that was applicable on the date on which the executive officer directed the repayment concerned in writing.
