## **2. Purpose and aims of statutory measure and the relation thereof to objectives of the Act**

The purpose and aims of this statutory measure are to compel exporters and producers of fruit to register with Agri-hub. These shall also include any person e.g. a producer who acts in the capacity of the aforementioned persons. Registration of the said persons is necessary in order to ensure that market information in respect of fruit is made available for all role-players in the relevant industry. Information gathered by Agri-hub by means of records & returns is disseminated freely in the market place. Through the mandatory registration of all the stakeholders and submission of electronic transmission files on an individual basis, market information for the whole of the country can be processed and disseminated in the marketplace.

These measures are necessary to ensure that continuous, timeous and accurate information relating to the fruit industry is available to all role-players in order for them to make informed decisions.

This statutory measure will not only assist in improving market access for all market participants, but it should also assist in promoting the efficiency of the marketing of fruit. Furthermore, the market information obtained in this manner, will promote the viability of the fruit industry and the agricultural sector at large.

The statutory measure is administered by Agri-hub. Agri-hub was specifically established for the purpose of registration and handling information gathering, processing and dissemination on behalf of the various fruit role-players in South Africa.

Agri-hub makes macro generic market information available to the grower associations and other interested parties. This information is obtained and furnished from the returns submitted to Agri-hub. The information is published in a manner that is suitable to reach the majority of the role-players in the fruit industry.

Agri-hub is an independent registered company with equal shareholding (12,5%) between CGA, Hortgro, SATI, (representing the grower associations), FPEF (representing the Exporters), Dipar, Farsoft, Paltrack and Prophet (representing the ISP)
