### Circular 70 of 2019: Revised Administrator Accreditation Standards – Version 6

The Council for Medical Schemes (CMS) has concluded the consultation process to revise the administrator accreditation standards and would like to thank stakeholders for the valuable comments and suggested changes provided.

The final revised standards are herewith published as [Version 6](#) and applies to all third party administrators of medical schemes and self-administered schemes (as adapted) with effect from 1 January 2020.

A handwritten signature in black ink, appearing to read 'D. Kolver', is positioned above the name of the General Manager.
